ANNOUNCEMENTS

MAY 12, 2024

WELCOME

Welcome We are delighted you are worshipping with us today. If you would like more information about our ministries, read below or Visit dcpc.org.

WORSHIPING

Please let us know you are worshipping with us. Sign the friendship pad or scan the QR code.

Children's Worship Bags Worship aids for children, including a special bulletin, are available at each entrance. Older children and youth are invited to use the Worship Notes sheet.

Childcare for ages 0-6 will continue throughout the Spring and Summer at the Watson building. Please note exception: **May 12** we will not offer childcare.

Hearing Assistance Devices are available in baskets at each entrance to the sanctuary. If you need assistance, please see a worship leader. We also have Bluetooth capability. Contact David Brinson or Sarah Allred for assistance. Before meeting them, please download the WaveCAST app to your phone if you are able.

About Our Sound DCPC worships in a space meant for echo. The fancy term is reverberation, which is perfect for organs and choirs and less so for other instruments and the spoken word. Our staff continues to work with local sound professionals to work with our equipment and space to improve the experience of the spoken word and other instruments. We have even consulted with some acoustical engineers who have given us ideas on ways to alter the space. If that were to happen, it is a little ways off and after continuing to work with what we have in

place right now. If you have a specific question or concern, contact David Brinson or Sarah Allred. Thank you for your patience; we really are doing our best.

Coffee Free Summit Coffee is available Sundays after our first two services in front of the sanctuary. Come join us for fellowship, friends and Summit coffee.
