

DAVIDSON COLLEGE PRESBYTERIAN CHURCH COMMUNITY MISSIONS

Believing that all persons are of equal value to God, the Community Missions Committee seeks appropriate ways for our congregation to witness to God's love through service to people who may need assistance, with emphasis on the local and extended community. DCPC members have a long tradition of sharing our time and talents in ways that witness to God's love.

VOLUNTEER OPPORTUNITIES
2023

Community Missions at DCPC

The Community Missions Committee has reviewed the process used to allocate benevolence funding. There are five basic areas of focus; 1) Housing, 2) Community, 3) Children, 4) Hunger & 5) Healthcare. The local non-profit agencies we support typically have some connection to our church. Examples include church members who serve or work for a local non-profit, and/or members & church staff who volunteer with an agency. Our community is defined as the towns & neighborhoods where the members of DCPC live, work, and serve, with the focus being on the general Lake Norman Region.

Each agency that receives funding must submit an application each year that is reviewed by the committee to determine their suitability (Agency requests must be submitted to the church office by the end of August). Our ability to fund agency requests is based on the amount of funds established by the Session for local benevolences during their annual budgeting process. In 2022 the local benevolence budget funding 27 mission partners can be broken down in the following way: Housing-39.3%; Community 26%; Children 18.3%; Hunger 10.4%; Healthcare 5.1%

This Volunteer Opportunities booklet lists many of the agencies we support along with a brief description of their ministry and contact information. On the last page of the booklet you'll find the 2023 Community Missions Budget approved by the Session. The Community Missions Committee would like to make sure that everyone at DCPC has the opportunity to be actively serving in our community. Feel free to contact anyone of us if you have questions or suggestions about this important ministry at DCPC.

La Escuelita Bilingual Preschool

Mission: LA ESCUELITA, or “little school,” is a bilingual, science based preschool. Our Spanish-English program blends language-minority and language-majority children. Preschool is a great time for language learning as it coincides with children’s natural critical period for language development. Language is not “taught” at our school. Instead, both Spanish and English are used seamlessly in the authentic context of the child’s everyday conversation and through play, art and literacy.

E2D (Eliminate the Digital Divide)

Mission: E2D is a non-profit organization that works with CMS Schools to partner with qualified families that do not have technology in their homes. They are committed to providing students and their families with at-home access to computers as well as working to find Internet connection solutions for those unable to secure broadband use. Our goal is to help promote academic success for all students by eliminating the digital divide.

Volunteer Opportunities: E2D utilizes volunteers to help distribute computers and provide orientation and education to the partner families through out the year. Continuing education courses are offered as well as computer maintenance workshops where volunteers with varying degrees of technology experience are welcome. Spanish-speaking volunteers are always needed to help communicate with the families.

Special Partnership with Blythe Elementary School

In April 2014, the Session of DCPC voted to enter into a partnership with Blythe Elementary School. We are happy to be following in the footsteps of our theological forebear, John Calvin, who founded an academy for the children of Geneva out of his deeply held belief in the importance of universal education.

Catherine Bragg and Rosemary Klein are the co-chairs of the effort and have met with other enthusiastic volunteers to establish the partnership. They are excited to report that there is something that every single person at DCPC can do to plug into helping the wonderful children at this school. Some members work on a regular basis in the classroom with small groups or reading with individual children; many families contribute food during the summer for Blythe students who do not have enough to eat; some members help provide special breakfasts or lunches for the teachers to thank them for their efforts; there are many one-time needs that our members fill, such as cataloging books, being a guest reader in a classroom, helping to plant a garden, or assisting with the book fair. The needs are great, and the opportunities numerous!! For more information, contact Rosemary Klein, 704-892-8306; rosemaryklein924@gmail.com.

Community Missions Annual Report

Community Missions partnered with 25 local ministries in 2022. The areas of focus as a percentage of the CM budget were as follows: Housing (46.54%); Children (25.52%); Hunger (17.6%); Healthcare (10.35%).

With a 2021 church budget surplus we were able to disperse additional funds of \$19,400 to Charlotte Rescue Mission, Davidson Presbyterian Church, Serenity House, and Habitat. We continue to regularly support Angels & Sparrows, Charlotte Rescue Mission, Blythe Elementary, and Neighborhood Care Center. We supplied 68 back to school backpacks to the Amigos de Cristos effort; supported the Promising Pages book drive and a coat drive for Charlotte Rescue Mission. The committee provided two meals for the UKIRK students. We updated our Standards of Procedure language and the Community Missions volunteer booklet. Our summer grocery mission supplied 40 bags of groceries weekly to two different agencies through the summer months. The ten cents a meal effort was revived after a break during Covid. We sent two children to Camp Grier and provided scholarships for other campers. We sent a team to Puerto Rico with Presbyterian Disaster Assistance. We held three blood drives throughout the year and entered into a coalition Habitat build in Mooresville with four other local churches. We had a successful Day of Service with over 160 people participating. Room in the Inn was restarted in December after it had been discontinued during Covid. The Christmas Pageant food drive was successful, and our holiday mission opportunities benefited Safe Alliance, Charlotte Rescue Mission, and Neighborhood Care Center. Mission funds from the capital campaign allowed us to fund additional projects that address Housing Insecurity through Hope House (\$200,000 in 2022); Habitat (\$200,000 in 2023); and Davidson Housing Coalition (\$170,000 in 2024).

Our goals for 2023 are to continue these efforts and hopefully do even more.

*Show me your faith apart from your works, and I by my works,
will show you my faith. James 2: 18*
