WELCOME

Welcome Welcome to Davidson College Presbyterian Church. We are thrilled you are worshipping with us today. If you would like more information about our ministries, read below or go to our website.

WORSHIPING

Our Banners The banners in the Sanctuary today are visual representations of the various creeds and confessions adopted by the Presbyterian Church (USA) as expressions of our faith. Two of these banners are new to DCPC this year: the banner for the 1983 Brief Statement of Faith and the banner for the Belhar Confession from South Africa. Thank you to Judy Kidd who made the banners and John Bosak for his carpentry with poles and stands. To learn more about these banners and confessions of faith, go to <https://cantoncpc.org/wp-content/uploads/2020/04/The-Confessional-Banners-of-Christ-Presbyterian-Church-2017.pdf>

Coffee Coffee is available Sundays after our first two services. It is on the Gwen Appleyard Patio. Come join us for fellowship, friends and Summit coffee. Do note: coffee is put away once 11:00 worship begins.

Children are always welcome in worship. Children's worship bags and bulletins are available at each entrance. Older children and youth are invited to use the Worship Notes sheet.

Childcare Childcare for infants through kindergarten is available in room 14 weekly from 8:30 am – Noon. A comfort room is available next door for nursing, napping babies, and worship services on YouTube.

Hearing Assistance Devices Our devices are available in baskets at each entrance to the sanctuary. Each receiver pack has one of two cords: a simple in-ear piece and a T-Coil neck loop. If you need assistance, please see a worship leader.

Bluetooth Hearing Aid? We have a Williams Wave Cast that streams audio directly to Bluetooth enabled hearing aids. If you have a Bluetooth enabled hearing aid and want to do this, contact David Brinson or Sarah Allred. They will help you with the one-time connection and setup. After this, it will connect automatically. Before meeting them, please download the WaveCAST app to your phone.
