

Narrative Budget 2023: Faith Formation

Faith Formation Ministry is responsible for the life-long faith development of all children, youth, and adults. This ministry is important to DCPC because it:

- Provides Sunday morning opportunities for children, youth, and adults through a variety of weekly Sunday School classes and Sunday night youth groups.
- Provides mid-week opportunities for adults to deepen their faith and connection to each other and weekly opportunities for children to connect with God, to each other and to themselves through the study of scripture, spiritual practices, and music.
- Provides opportunities for children, youth and adults to put their faith into practice through mission trips and grow in their faith by attending youth conferences and international travel to pilgrimage sites around the world.
- Provides opportunities for faith development through the weekday Preschool program and Preschool Educational Program.
