

Welcome to the life of Davidson College Presbyterian Church. Growing in faith and discipleship involves nurturing our faith and using our gifts to participate in God's grace in the world. This growth involves discerning our particular gifts and discovering how we are fed spiritually.

This form is a step in matching your needs and gifts with opportunities at DCPC for spiritual nurture and ministry. By expressing interest in a particular area, you are not making a commitment but beginning a conversation.

It is our deep hope and desire that each new member will fully embrace and be fully embraced in the life and ministry of this congregation to the end that we may all glorify God together.

Called by God's love in Jesus Christ, Davidson College Presbyterian Church welcomes all, grows together as one body, and serves God and neighbor with compassion, humility, and hope.
