

Wrap Up Kenya for Christmas

What do you give the person who has everything? Honor him or her by giving a gift that will have meaningful impact on students in Kikuyu, Kenya. Family and friends will be touched to know that the gift they have received will impact students in need.

This holiday season, we invite you to make a difference in the lives of students at the **Sigona Presbyterian Academy in Kikuyu, Kenya.**

For many years, our global mission partners at Sigona Presbyterian Church in Kikuyu, Kenya have orchestrated the educational and nutritional program at the SPA — from providing hot meals and class instruction to uniforms and supplies.

Currently, 99 children are enrolled in the academy with over 50% of those students in need of financial aid. Contributions from DCPC have helped in the past, but we hope to do more, so that more students can enroll.

Directors at the school carefully balance income (from tuition and contributions) with the need to pay teachers and administrators an adequate living wage, purchase necessary educational supplies, and provide food for the children (many from families that are not food secure.)

New funding would mean *more* local children could attend school and benefit from the educational and nutritional programs offered by Sigona Presbyterian and its Academy.

The **Sigona Presbyterian Academy Sponsorship Program** is an opportunity for DCPC members to sponsor students in various classes at the academy, supplementing the funds currently available, and making it possible for more children who need tuition support to attend the academy.

How it works: A family or individual chooses a particular class (grade level) to sponsor. Funds for the sponsorship will be a tax deductible contribution to DCPC and will be transferred to the Sigona church by DCPC staff. Sigona Presbyterian Church will make the funds available for the academy.

As a SPA sponsor, you will receive a photograph of the class you are sponsoring and a list of the students' and teacher's names. Sponsors will be encouraged to pray for the children and teacher and their families by name. You will also receive a photograph of the entire student body and staff of the academy. There will be opportunities for the sponsor to communicate with the sponsored class through the Presbyterian elder who is the patron of the academy and through the office of the Head Teacher.
