## LEARN

Jesus calls us to go into all the world making disciples and teaching them. As those who are called to teach others, we also must take seriously our need to learn.

Therefore, we have an abundance of both Sunday morning and mid-week small group options for children, youth, and adults. Check our website to see a list of current available options. Contact the church if you need help obtaining log-in information.

## LOVE

Jesus teaches us that the greatest commandments are to love God and to love our neighbor. Those who accept the call to discipleship are invited into loving community. We learn what it means to love as we journey together in faith. We grow in our understanding of love as we worship, learn, and serve together. Through the ministry of the presence we show our love and support for one another.

We offer Mental Health Matters and Stephen Ministry groups. If you need mental, emotional, or spiritual support, please contact our office.

## SERVE

We have been blessed with many abilities, abundant energy, and financial resources. We are called by Jesus to use these gifts to serve those around us. We serve and share the love of Christ by partnering with many agencies and ministries in our community and throughout the world to provide food, shelter, healthcare, education, clean water, transportation, support, and encouragement. We serve as we seek to be the presence of God for others.

## GIVE

God calls us to share what we have been given so that all have enough. Jesus invites us to give away what we have so that we might not be burdened by the material things of the world. Giving together, we learn to trust God, who promises to provide all that we need. Online giving options available.
